### “The evidence is clear: invest in prevention”

- Spreading Awareness is vital in making people aware of the serious problems caused by drug abuse and illegal drug trading. When people know more about these issues, they can make better choices for their well-being.
- Learn about the dangers of drug abuse and stay away from it.
- Protecting Future Generations Even young people can be tempted by drugs. Let us help educate our future generations about the dangers of drug abuse, guiding them away from a path that leads to addiction.
